

Vermont Farm Bureau comments on S.280
Received via email 4/6/22

Thanks, and we would love to continue the conversation next year on weight limits between states. It's one of Farm Bureau's concerns.

At this time, Vermont Farm Bureau will support Section 4 of DMV bill S.280 - we appreciate the lowering of fees and the increased weight limits that will help anyone hauling milk or feed or any other inputs to farms, due to the current high cost of transportation.

Thank you for the opportunity to weigh in on this issue.
